**Legal Status of Dog Racing Industry**

Commercial greyhound racing is illegal in 41 states. In addition, four states have laws on the books that authorize commercial greyhound racing but have no active tracks. These states are Connecticut, Kansas, Oregon, and Wisconsin.

**Dog tracks that have closed or ceased live racing since 1991**

Since 1991, 49 dog tracks have closed or ended live racing. An additional six Florida tracks will cease live operations by December 31, 2020.
