

Sample Email for Chairwoman Ms. Johnson

Dear Ms. Johnson,

As someone who cares about greyhounds, I am writing to ask that you please remove Churchill Downs from your portfolio. CHDN is the last major entity propping up dog racing in the United States and Fidelity dollars are funding this cruel enterprise!

CHDN is not only capitalizing on the final remnants of an industry that is responsible for greyhound confinement, deaths and abuse in the United States, it is also propping up foreign dog tracks including Agua Caliente. Caliente is a Tijuana-based dog track with no animal welfare standards that is owned by a controversial figure with alleged ties to organized crime.

Please divest all your holdings from Churchill Downs immediately.

Sincerely,
